Subject: RE: Text, tables and figures for Appendix C EMB (UNCLASSIFIED)

Classification: UNCLASSIFIED
Caveats: NONE

My preference would be 1 or 2 May if possible; but please schedule on date best to get critical participants...

This appendix is long and full of very technical information. It has also been submitted early in the schedule of overall FFS production. So I would like to extend the due date for comments until COB 4/30.

I will be re-scheduling the conference call to discuss comments until May 1, 2 or 3. Please let me know if you have a preference.
